**Westhold** transponders will be used. If you have one please note that on entry form & subtract \$15

## **Starting positions will be appointed in order entries are received – So Enter Early!**

Entries will only be accepted via mail USPS, and will be put in order by post mark.

Or can be handed in on a Speedway Willow Springs race days.

Entries sharing the same dates will be drawn randomly for order.

## **Raceiever's Mandatory - No Exceptions**

**The event will run under the green flag / red flag only system**

Immobile cars will be left on the track and removed under red only, unless deemed unsafe

**Pitting for repairs will be possible under green flag conditions as well, so bring a pit crew**

There will be a mandatory red flag at 100 and 200 laps to re-water the dirt portion of the track and remove disabled vehicles. All cars will re-start in running order on the front stretch. Any cars leaving the track before or during mandatory red flag will line up at the back of the line.

## **So-Cal Enduro rules only will apply**

Available at [SoCalEnduroRacers.weebly.com](http://SoCalEnduroRacers.weebly.com)

All cars must have a fire extinguisher safely mounted with a quick release within reach of driver

Adding fuel & driver changes must be done in your pit space with engine off

Paved pit spaces will be for race car and tools only

All tow vehicles and trailers will be unloaded and parked in the parking lot

No 2 way radios allowed - No rear view mirrors

Every pit MUST have an accessible fire extinguisher.
