

IN CAR RECORDING AGREEMENT  
(Go Pro or equivalent)

**In-Car Camera Recording**

A. Recording devices such as a Go Pro may be used when a permit is issued by SWS officials. Permits will be available in Tech and on our website.  
<http://thespeedwayatwillowsprings.com/rules/>

B. Should SWS officials deem it necessary in a serious situation, any recorded information can be removed by SWS officials at any time.

C. Please be advised all recorded data of any kind is the property of Willow Springs International Raceway. By using such devices in any sanctioned event, the data recorded becomes the property of WSIR and is under their control. The data can be used for any purpose deemed necessary by WSIR and SWS series management.

I understand the In-Car Camera Recording policy, and will comply as specified in this Agreement.
